TODAY'S MUST READ NEWS

Environmentalists File FOIA Suits In Bid To Strengthen Keystone Challenges

Environmentalists are pursuing a series of Freedom of Information Act (FOIA) lawsuits in federal courts in a bid to gain data that could strengthen eventual Clean Water Act (CWA) and Endangered Species Act (ESA) challenges to the Keystone XL tar sands oil pipeline ahead of an Obama administration decision on whether to approve the project.

SAB Panel Splits On Role Of Risk Framework In Environmental Justice Guide

EPA advisors are split on whether the agency's current risk assessment framework that it uses to ensure its regulations are protective is adequate for addressing adverse environmental justice impacts that its rules may not address, a debate that echoes divisions among industry groups and environmentalists.
